A warm welcome to all our regular worshippers and to everyone who is visiting us today. St Theodore's is a Parish in the Anglo-Catholic tradition in a contemporary and progressive form. We seek to be a living community of faith which values liturgy and preaching to sustain our faith action in daily life. Our Mission is to be an active, caring and supportive Christian community.

You are welcome here 'as you are', embraced within God's boundless love. Not everyone here believes exactly the same thing and we don't expect that you will agree with everything we do and say. A church community is always made up of people with differing views and beliefs about certain things, a place where we can respectfully and enthusiastically seek truth together. It is good to have you here today and we hope that you will feel at home. If you have any questions about our community or faith, please feel free to speak to any member of the congregation, or to our priest, the Rev'd Dr Matthew Anstey.
