A warm welcome to St Theodore's – we hope you feel at home here. We are an Anglican church in the Anglo-Catholic tradition with a contemporary and progressive outlook. We seek to be a living community of faith which values relationships, liturgy and preaching to sustain our faith and action in daily life. Our Mission is to be an active, caring and supportive Christian community.

Not everyone here believes exactly the same thing and we don't expect that you will agree with everything we do and say. A church community is always made up of people with differing views and beliefs about certain things, a place where we can respectfully and enthusiastically seek truth together.

St Theodore's supports the *Anglican Rainbow Network*, which meets monthly at several Anglican churches, including ours. Please contact Peter Burke (0411 872 461) for details.

## Parish Notices

Winter Soup is on this week. Please join us for soup **every week at 10:45am** in the small hall during winter until August 25.

**St Mary Mags Cooks Night** – We are seeking volunteers to cook part of the meal, donate prepared food and/or be present on the night of **Saturday 31 August**. Many hands made light work in the last two years and we hope for the same this year. To assist please contact Fiona O'Neill on [fiona.oneill260@gmail.com](mailto:fiona.oneill260@gmail.com).

The Anglicare Emergency Care Team have advised that they are desperately short of provisions for those in great need in our community and all donations will be gratefully received. Lists of suggested items can be found on the table at the back of the Church and donated items can be placed in the 'Mary Mags' box near the Baptistry.

A "Book Exchange" has been set up on the book case in the entrance of the small hall. Please take a book and give books if you have any to spare. Pat
