

# Welcome to St Theodore's Anglican Church

## 26 January 2025 – Australia Day

Live-stream: <https://www.facebook.com/share/15eDdDHHG8/>

A warm welcome to St Theodore's – we hope you feel at home here. We are an Anglican church in the Anglo-Catholic tradition with a contemporary and progressive outlook. We seek to be a living community of faith which values relationships, liturgy and preaching to sustain our faith and action in daily life. Our Mission is to be an active, caring and supportive Christian community.

Not everyone here believes exactly the same thing and we don't expect that you will agree with everything we do and say. A church community is always made up of people with differing views and beliefs about certain things, a place where we can respectfully and enthusiastically seek truth together.

St Theodore's supports the *Anglican Rainbow Network*, which meets monthly at several Anglican churches, including ours. Please contact Peter Burke (0411 872 461) for details.

## **Hearth Gatherings: more encounters with mystics to light our way.**

### ***Finding Light in the Dark Ages?***

History describes the 5<sup>th</sup> to the 10<sup>th</sup> centuries as the Dark Ages characterized by economic, intellectual and cultural decline. Together we will challenge this view of history as we encounter Brigid of Kildare who brought the flame of faith to Ireland between 451-525 CE and the British saints Hild of Whitby and Cuthbert of Lindisfarne who built on the strong foundations of Celtic Christianity between 614 and 687 CE through education, music, art and mysticism.
